WHEN WE INNOVATE, THE CAR IS NOT TOP OF MIND

We admit it. You fascinate us. We think and talk about you all day. Everything about your life – its ups and downs, joys and disappointments, needs, demands, frustrations and hopes – captivates us.

So when we innovate, every detail – from service design right down to the smallest screw – has to justify itself to you. Does it add anything? Is it useful?

All this time spent thinking about your life has allowed good things to happen. Perhaps you didn’t know, but we have a vision that by 2020 nobody dies or is seriously injured in a new Volvo. Just nice-sounding words? Not at all. It’s realistic and achievable.

We know you always want to feel in control. Our IntelliSafe technologies not only help to save lives, but also give you more enjoyment behind the wheel.

We know you want to stay connected to the world around you. Our Sensus solutions ensure you are.

We also know you care about the future of the planet. That’s why our Drive-E technologies allow you to drive sustainably – without compromising on performance.

And we know you’re interested in self-driving cars. Each day we take pioneering steps in our quest to deliver a safe and relaxing autonomous driving experience. The same goes for fully electrified powertrains. And even smarter services.

We happily walk the extra mile to give you what you want.

At Volvo, everything we do is designed around you.

You are why we innovate.
YOU’RE IN CONTROL

Experience the feeling of confidence and control on every journey in the XC40, with a high seating position and agile handling that put you in command.
VOLVO XC40

Crystal White Metallic | 20” 5-Double Spoke Matte Black Diamond Cut Alloy Wheels
AN SUV WITH A TWIST

The XC40 is an authentic SUV for the city. High ground clearance, large wheels, and true SUV proportions give it a powerful stance. From the bold front grille to the beautifully detailed taillights, it’s every inch a Volvo. Uniquely Scandinavian, it’s an SUV built for city life.
STAND TALL
High ground clearance gives the XC40 a powerful stance and excellent visibility. Large wheels and tires cope effortlessly with any road. This is the SUV that allows you to rise above it all.

STRENGTH OF CHARACTER
The XC40 expresses toughness, and is unmistakably a Volvo, through features such as its proud grille, “Thor’s Hammer” light signatures, and sculpted front bumper with skid plate.

LIGHTING WITH DISTINCTION
See and be seen, day or night, with standard LED headlights that feature the XC40’s own take on Volvo’s unique “Thor’s Hammer” light signature. They automatically adjust the beam height, and switch between dipped and full beam, to provide the best view and avoid dazzling other road users. The optional high-level LED headlights include active bending lights that turn with the steering (by up to 30°) to provide a better view around corners.

SPECIALY DESIGNED ALLOY WHEELS
A selection of Alloy Wheels helps you to create your perfect XC40. Each one has a bold, dynamic design, as well as the attention to detail and high-quality finish you expect from a Volvo.
Bold, progressive design is the hallmark of the Volvo XC40, and the cabin embodies forward-thinking Scandinavian style. An uncluttered layout lets you focus on the beautiful details, while the high seating position means you always feel in control. Carefully crafted and selected materials indulge the senses, and intuitive technology puts you in command. The cabin of the XC40 is a place that will inspire you on every journey.
BEAUTY IN DETAIL

It’s the details that set Volvo Cars interiors apart. The thought, effort, and craftsmanship that go into the smallest elements in the cabin of the XC40 help to create a unique and special feeling each time you climb inside.

LAVA CARPETING
One of the highlights of the R-Design variant is the availability of Lava carpeting and door inserts. It has a rich, bold color that perfectly expresses the youthful character of the XC40.

LED LIGHTS
The XC40 is available with interior High Level Illumination that highlights the beautifully sculpted dashboard and stylish decor panels at night.

SUSTAINABLE BEAUTY
Made from 100% recycled material, the textile interior mats of the XC40 combine modern style with a sustainable, environmentally responsible approach.

AIR VENTS
The air vents in the XC40 are an example of our designers’ ingenuity, with an innovative design that combines a beautiful minimalist appearance with effortless functionality.

DOOR HANDLES
The bold, finely crafted door handles in the XC40 echo those in our larger SUVs, while their metallic finish feels great to the touch. The XC40 is a car that rewards all your senses.

Natural light from the panoramic roof, our characteristic frameless rear-view mirror, and LED lighting on the distinctive concave decor panels on the dashboard are just a few of the visual highlights in a cabin designed to look great — and to make you feel good.

PANORAMIC ROOF
The interior of the XC40 is shaped by a uniquely Swedish appreciation of light. A panoramic roof floods the interior with natural light by day. (Optional)
REALLY CLEVER STORAGE

The inventive storage solutions in the XC40 are the result of us listening to our customers and understanding what they want from their cars. The front door pockets are each large enough for a laptop, handbag, or even three large bottles. This feature is made possible by Air Woofer Technology™, a Volvo Cars innovation that uses an audio speaker mounted behind the dashboard, rather than in the doors, to free up space where you need it most. It’s just one of the many ways that the XC40 helps to make every day easier.

LARGE DOOR BINS
Doors free of speakers mean that the pocket is large enough to fit a laptop or three large bottles.

WIRELESS PHONE CHARGING
There’s a space beneath the center touchscreen where a mobile phone can be stored and wirelessly charged, helping to reduce clutter and making it easy to reach when you need it. (Optional)

CARD HOLDERS
Card holders integrated neatly into the dashboard allow you to keep a credit card or parking voucher easily within reach. For increased security, there is an additional card holder hidden discreetly in the front center console.

BAG HOOK
Keep a small bag or takeout food secure with a hook that folds neatly out of the glovebox and prevents items from moving around or spilling while you’re driving.

SMART STORAGE
The storage bin under the front center armrest is large enough to hold a small handbag or even a full-size tissue box, and has a removable wastebasket in front of it.

8 | VOLVO XC40
Everything starts with people at Volvo Cars – it’s why we look, listen, and design cars around their needs. And it’s why the XC40 is full of practical, versatile features that help you carry what you want as easily as possible. Load and unload your car with ease thanks to a large cargo area that can be accessed by a hands-free power-operated tailgate. If you need to carry bulky or unusually tall items, you can take advantage of the foldable, removable load floor. And if you need even more space, fold the rear seat backrests flat at the touch of a button.

Valuable items can be stored securely out of sight under the load floor. And to make the load area as versatile as possible, the folding floor can be placed in multiple positions. There are also four load-securing tie-downs to keep delicate items safe and to protect the car’s occupants, plus three bag hooks that ensure your shopping doesn’t move around or spill in transit. Whatever type of load you need to carry – large or small – your XC40 helps make it effortless.

Go hands-free
When your hands are full, the power-operated tailgate on the XC40 makes life easy. And when combined with the keyless entry option, it means you only need to move your foot under the rear bumper to open or close it automatically.

The right fit
The XC40 helps you fit your life into your car. The load compartment is one of the largest in its class, with a regular shape that makes it easy to load and helps make the most of the space. The folding load floor helps you adapt it to whatever you’re carrying.
Every interaction in the XC40 feels natural and intuitive. From the easy-to-use 9” Sensus Touchscreen to the high-resolution 12.3” Digital Driver Display and voice control that understands normal speech, the standard technology is there to make things simple. It’s as familiar and intuitive as using your phone. You can control most functions via the 9” Sensus Touchscreen — its portrait format and bold, clear graphics make it easy to read, and it’s so responsive that you can use it wearing gloves. Standard Apple CarPlay™ and Android Auto™ help keep you connected when on the move.

The 12.3” Digital Driver Display helps you stay focused on the road ahead by putting all the information you need directly in front of you. And it automatically adapts to the surrounding light conditions, becoming brighter or dimmer depending on the light coming from outside the car.

Your guide
Sensus Navigation is your guide, helping you find your destination and keeping you informed. With clear mapping, free lifetime map upgrades, and the availability of apps that help you find what you’re looking for and share your location, you can enjoy the journey ahead.
We understand that music can make the difference, and the XC40 has been engineered to let you enjoy your favorite music to the fullest. Every XC40 features Air Woofer Technology™ that delivers precise, powerful bass. For an even more immersive experience, choose the optional Harman Kardon® Premium Sound audio system. A collaboration with one of the world’s leading audio brands, it features 13 speakers and 600 watts for a beautifully balanced, powerful sound.

Harman Kardon® Premium Sound
Enjoy your favorite music to the fullest with the available Harman Kardon® Premium Sound system in the XC40. This top-of-the-range audio system draws on the expertise of one of the world’s leading audio brands to provide powerful, detailed sound.

Streaming. On demand.
Access to streaming services is just a touch or a voice command away in the XC40. Standard Apple CarPlay™ and Android Auto™ means that you can easily listen to music, news, and audiobooks via your favorite apps.

All about the bass
The XC40 features Air Woofer Technology™ – a new type of audio speaker that brings you precise sound and great bass reproduction. And because it’s mounted behind the dashboard, rather than in the doors, it frees up the cabin for valuable extra storage space.
VOLVO ON CALL
Your personal assistant

The Volvo On Call app connects your car with the rest of your world, helping make life less complicated. It’s there when you need it, so your car becomes more than just a means of travel – it’s your personal assistant.

You can use it to make your car ready for the drive to the office, or the drive home, by using remote start to heat or cool the cabin. It can even accept packages on your behalf. You can sync your Volvo On Call app with your calendar, so if you’ve got appointments it will tell your car where they are and how to get there. And it keeps you safe, automatically contacting emergency services if you’re involved in an accident and telling them where you are.

YOUR DAY MADE EASIER
WITH VOLVO ON CALL
From saving you time in the morning to helping you relax on the way home, Volvo On Call becomes an indispensable part of your daily routine.

FIND YOUR CAR
You’ve forgotten where you parked, so you use the car locator map to find the street and then use the flash lights function to pinpoint the car.

REMOTE CONTROL COMFORT
You set the remote start function to automatically warm the car’s interior so it’s ready for when you leave the office.

WHERE TO NEXT?
A calendar card shows your next meeting. You push a button in the app, sending the address to the car’s navigation system.

DELIVERIES TO YOUR CAR
The shoes you ordered yesterday using In-car Delivery are delivered to the trunk of your Volvo. You get a notification that your order has been delivered to your car.

THE PERFECT START
When you get into the car in the morning it’s warm and defrosted, thanks to the Volvo On Call app’s remote start function.

Wi-Fi ON THE GO
You head for home. Using the Wi-Fi hotspot, you can stream music via your phone to the car’s audio system.

READY FOR A NEW DAY
A notification reminds you that you’ve got a meeting in the morning. You send the location to the Sensus Navigation system so you are ready to go in the morning.

By combining the connectivity of your XC40 with your mobile device, the XC40 can become more than just a means of transport. Thanks to the Volvo On Call app and Sensus Connect, you have access to a range of connected services that make your car a life hub for you, your family, and your friends. The remote engine start lets you begin every drive in comfort. Heat and defrost your car on cold mornings and cool your car on hot days, before you even get in. You can also check if a window or the tailgate is open, and see if your car is locked, then lock it or unlock it, directly from your smartphone.

Your entertainment options are not limited to what’s available on your smartphone. Wi-Fi and tethered internet enable you to utilize a fast and stable connection through the antenna. Sensus goes even further, with built-in apps that keep a world of music at your fingertips, keeping your devices connected to the internet, while audio systems offer considerable flexibility when it comes to sound.

Our new car sharing offer is another innovative service. It allows you to share your car — and the services that go with it — by granting access to friends, family members, or colleagues through their mobile device and the Volvo On Call app. Once they have opened the car, the special key in the cabin is activated and they can use this to lock, unlock, and drive the vehicle. Not having to meet up and hand over a physical key opens up a world of possibilities — it means that a friend or colleague can access or borrow your car, wherever you are and wherever your car is. It’s connected thinking for a connected world, by Volvo Cars.

EXPERIENCE CONTROL

The XC40 has a high seating position that puts you in command and gives you a great view of the road ahead. It’s a car that elevates you above the everyday, with thoughtful, uncluttered design that means you always feel in control behind the wheel. Standard intuitive technology is there to make your life less complicated – the easy-to-use 9” Sensus Touchscreen is so responsive that you can use it wearing gloves, while the high-resolution 12.3” Digital Driver Display looks great and is easy to use in any light.

The human touch
At the heart of the cabin is our 9” Sensus Touchscreen – a feature familiar to the new generation of Volvo cars that blends beautiful design with ease of use. The portrait format makes reading information – and following navigation – especially easy.
TECH THAT HELPS

Every journey is easy in the XC40, thanks to a range of helpful Volvo Cars innovations. Pilot Assist makes driving in heavy traffic less tiring. It helps you keep a set distance from the vehicle in front, and uses small steering inputs to help you keep the car in the center of the lane at speeds of up to 80 mph. Adaptive Cruise Control lightens the load by keeping the XC40 at a set distance from the car in front; you set the gap and the XC40 will adapt its speed to maintain that distance.
Intersection Braking
City Safety includes an intersection braking function that can help to make an accident at a road junction less likely or less harmful. This feature – a world-first when it was introduced in the Volvo XC90 – automatically brakes the car if the driver turns into the path of an oncoming vehicle.

Rear collision Warning
Included as part of the IntelliSafe Surround option, our rear collision warning system works to protect you if it detects a risk of a collision from behind. Just before a collision, the system will automatically tension the prepared front seat belts and, if your car is at a standstill, will also activate full auto braking to help reduce the risk of whiplash injury.

Run-off road Mitigation
Our Run-off road Mitigation technology helps to keep you safe by keeping you on the road. If this innovation detects you are about to leave the road unintentionally at any speed between 40-80 mph, it uses steering input and, if necessary, brake support to guide you back on track.

Lane Keeping Aid
Fitted as standard, this feature monitors the road ahead and gently steers the car back into its lane if it detects that you’re about to cross a lane marking unintentionally. If the car’s steering adjustment isn’t enough, or if you cross into the other lane, you’ll be alerted by gentle vibrations through the steering wheel.

BLIS™
Our Blind Spot Information technology makes journeys safer and less stressful by providing better awareness of traffic on the highway. It uses radar sensors to monitor the road behind and to the side of you, and warns you if a vehicle that you are approaching or alongside you, to help reduce the chance of a collision.

CITY SAFETY
Protecting what’s important

Volvo Cars is synonymous with safety, and the advanced features in the XC40 are the result of decades of experience and innovation – they are there to help you avoid a collision and protect you and your passengers if one should occur.

At the heart of everything is City Safety. This innovation identifies other vehicles, pedestrians, cyclists, and large animals ahead, even at night, and warns you if a collision is imminent. If you don’t react in time, it will apply the brakes automatically to help avoid or mitigate a collision.

City Safety is standard for every XC40. It will play a key role in helping us to realize our vision that, by 2020, no one will be killed or seriously injured in a new Volvo car.
SAFER THAN EVER

Protecting you and your passengers has always been at the heart of every Volvo car, and the advanced safety features in the XC40 are the result of our decades of innovation.

As with all of our cars, the XC40 surrounds you with strength. The passenger compartment uses a high percentage of ultra high-strength boron steel to create a protective cage around you and your passengers. Specially designed front seat structures minimize the risk of spinal injury on impact. The front seats incorporate our Whiplash Injury Protection System to minimize the risk of neck injuries if the car is hit from behind.

If your XC40 leaves the road, Run-Off Road Mitigation reduces your chance of serious injury. And front seat belts automatically tighten if the car senses that an impact is imminent, putting you in the safest possible position if a collision occurs. All this, and more, makes the XC40 a safe place to be.
Parking is easy in the XC40 thanks to its compact dimensions, elevated seating position, and responsive steering – and technology is there to help. The 360° SurroundView Camera available for the XC40 uses the images from discreetly mounted cameras to create a view of the car as seen from above. It allows you to clearly see where the car is in relation to other vehicles and objects, helping you to avoid them. Park Assist Pilot is a self-parking function that can steer the XC40 into a parallel space just 1.2 times the car’s length, or into a standard parking spot. All you need to do is follow the car’s instructions to operate the accelerator and brakes.

Park Assist Pilot also helps you find a space, by alerting you if one is big enough as you drive by it. Cross Traffic Alert (CTA) with Autobrake makes reversing out of spaces safer. Radar sensors in the rear bumper detect whether you are about to reverse into the path of an oncoming vehicle, cyclist, or pedestrian. If it detects something, it will warn you, then brake if necessary to avoid or mitigate a collision.

A better view
The 360° SurroundView Camera available for the XC40 gives you a detailed bird’s-eye view of your car from above, so you can see where it is in relation to other vehicles and objects. It’s especially useful in tight spaces and crowded parking lots, and helps you keep your car free from scrapes.

An App that Helps
The Volvo On Call app allows you to find your car in a busy parking lot by briefly activating the lights and horn remotely.
Wherever you take your XC40, you’ll always feel in control. Enjoy agile, energetic responses from behind the wheel – whether you’re in the city or out on the open road – thanks to a sophisticated suspension that makes extensive use of lightweight aluminum. Selectable drive modes allow you to set your car’s responses to suit your mood, adjusting settings for the engine, transmission, Electronic Stability Control, steering, and Start/Stop function. The optional Four-C chassis features electronically controlled suspension dampers for an even greater degree of versatility and control over how your XC40 drives. Models equipped with all-wheel drive give improved traction, for the most efficient acceleration from a standstill and an even more secure feel in slippery conditions or when towing. Hill Descent Control makes descending steep or slippery slopes as safe as possible.

Smart powertrains give you the responsiveness you want with low emissions and fuel consumption – there’s no need to compromise. It’s all thanks to our new Drive-E family of sophisticated turbocharged engines. These compact, lightweight powertrains balance smooth power with efficiency. And they keep weight at the front of the car to a minimum, which improves handling agility.

Power is transmitted to the road by a highly efficient, smooth-shifting 8-speed automatic transmission. On R-Design models, steering wheel-mounted paddles allow you to shift gears effortlessly. The XC40 allows you to take control, and inspires confidence, however long or short the journey.
Crystal White Metallic | 20” 5-Double Spoke Matte Black Diamond Cut Alloy Wheels
We created the new XC40 with one single purpose: to provide you with a city SUV that perfectly fits you and your lifestyle. It’s a car that meets your expectations of a fun, agile drive with exceptional comfort and distinctive Scandinavian design – built with care for people and the world we share. Designed to be intuitive to use and to make life easier, the XC40 is a pleasure to live with every day.

At the heart of your XC40 is an efficient, responsive powertrain. Whichever you choose, you will enjoy our latest Drive-E technology that gives you responsive power. Fuel consumption and CO₂ emissions are kept low, and our powertrains already comply with future exhaust emission legislation.

All engines are mated to our 8-speed Geartronic™ automatic transmission for a smooth and intuitive drive. On T5 AWD, our responsive all-wheel drive technology gives you an edge by increasing driving stability and traction – on all road surfaces and in all weathers. Make your choice, and enjoy wherever the journey takes you.

**T4 FWD**
The turbocharged 187 hp/221 lb-ft T4 FWD powertrain allows you to enjoy more while using less. Drive-E engine technology, our 8-speed Geartronic™ automatic transmission, and front-wheel drive add to instant control and an efficient driving experience.

THE ART OF DRIVING

R-Design is our sportiest expression, characterized by dynamic contrasts and a confident presence. Unique exterior design details in black, such as the front grille, the roof, and the door mirror caps, together with large Alloy Wheels, make it possible to create a truly distinctive look. The sporty theme continues on the inside, with R-Design Perforated Fine Nappa Leather/Nubuck seats, concave Cutting Edge Aluminum Decor, and optional Lava carpeting. A sport chassis ensures you’re in control with maintained ride comfort.

The gloss black roof creates a strong character – depending on your choice of exterior color, it can make a dramatic impact on the look of your XC40. The embossed R-Design logo in the rearmost door pillar makes a subtle yet distinct statement about the car you drive.

The concave Cutting Edge Aluminum Decor with integrated LED lighting creates a sporty, exclusive ambiance inside your XC40 – day and night.

Enjoy the dynamic feeling inside your XC40 R-Design. The driver-focused interior with exclusive Perforated Fine Nappa Leather/Nubuck, the multi-adjustable R-Design seats provide generous body support wherever you go. Contrasting white stitching and piping add to the sporty ambiance, while the manual seat cushion extensions provide extra thigh support.

The gloss black grille features a gloss black frame with a high-gloss black insert with a horizontal mesh, which complements the gloss black mirror caps, for a unique look.

The optional 20" 5-Double Spoke Matte Black Diamond Cut Alloy Wheels add to the powerful stance and work in perfect harmony with the signature design Thor’s Hammer LED headlights and gloss black design elements.

From the rear, the integrated dual tailpipes and gloss black rear skid plate add to the impression of sporty elegance.

The XC40 Inscription offers you luxury with a contemporary Swedish twist. Perfectly blending into city life, its stylish exterior with chrome detailing and large Black Diamond Cut Alloy Wheels adds to a confident appearance wherever you go. And for the experience inside, leather seats and genuine Driftwood Inlays provide a relaxed, pampered feeling on every drive.

The chrome lower window frames and the integrated roof rails in bright aluminum add a jewel touch to the exterior of your XC40 Inscription. In the rear pillar, the embossed Inscription logotype hints at a new kind of luxury.

Our large 19” 5-Spoke Black Diamond Cut alloy wheels enhance the distinct road presence of your XC40 Inscription.

The unique Inscription grille features high-gloss black inserts, vertical chrome bars, and chrome frame. Our signature design LED Thor’s Hammer headlights and matte silver finish front skid plate create a distinctive and luxurious look.

The XC40 Inscription radiates style and confidence from any angle, not least from behind with its beautifully sculpted, uncluttered rear section with a matte silver rear skid plate and integrated dual tailpipes.

The XC40 Inscription exterior with its distinctive design touches expresses the essence of modern Swedish luxury. The wide exterior color palette — including four unique XC40 Inscription body colors — allows you to create the XC40 Inscription that truly reflects your style and personality. Available in several different designs, the large Alloy Wheels connect visually with the exterior design cues to enhance your city SUV’s powerful stance and stylish looks.

**SELECTED INSCRIPTION BODY COLORS**
To further enhance the stylish presence of your XC40 Inscription, our designers have selected four dedicated metallic body colors with a uniquely rich and contemporary touch: 719 Luminous Sand metallic, 722 Maple Brown metallic, 723 Denim Blue metallic, and 724 Pine Grey metallic.
Everything about the XC40 Inscription exudes conscientious design and meticulous craftsmanship. It’s a city SUV to be proud of, a feeling that manifests on the inside with considerate features such as comfort seats upholstered in fine leather, handcrafted genuine Driftwood Inlays, several interior color combinations, and an Orrefors® crystal gear shift knob making it easy to tailor your very own XC40 Inscription experience.

VOLVO OVERSEAS DELIVERY
The experience begins in Sweden

Volvo Overseas Delivery is a unique program that gives you an exciting opportunity to pick up your new Volvo from our state-of-the-art factory in Gothenburg, Sweden. But that’s just the beginning.

YOUR TRIP INCLUDES:
• A savings off of the US base MSRP, which varies by Model
• Opportunity to personalize your new Volvo*
• Complete travel packages for Sweden and/or Europe via our travel concierge, who can help you personalize your adventure
• 2 Round-trip airline tickets to Gothenburg, Sweden, via Premium Economy (including private transport upon arrival)
• One overnight stay at a first-class hotel (including dinner)
• Premium delivery at Factory Delivery Center (including private transport and lunch)
• Guided factory tour
• A visit to the Volvo Museum and/or the Volvo Cars Brand Experience Center
• European car insurance (including Volvo Roadside Assistance and Global warranty coverage) for two weeks**
• Home shipment of your new Volvo

Your adventure begins in Volvo’s hometown of Gothenburg, located on Sweden’s scenic west coast. Here, you will pick up your new Volvo in person as it rolls out of the factory gate. You will then have the chance to explore the world of Volvo, where you will learn all about the unique culture that inspired the elements of your car.

With Volvo Overseas Delivery, you can custom build and personalize* your new Volvo before taking a once-in-a-lifetime trip to pick it up in the country that built and inspired it. Volvo Overseas Delivery delivers a car that is truly designed around you.

Please note: Changes in the order of your day’s schedule may occur.

If you would like to know more about Overseas Delivery, contact your local Volvo Cars Retailer, the Customer Care Center at (800) 631-1667, or visit VOLVOCARS.COM/US/OSD

* Personalization is based on market requirements and specifications. All options / packages and accessories must be US Market-specific.
** Global Warranty coverage remains in effect until your vehicle returns to the States and is registered with Volvo US.
YOUR XC40
– THE WAY YOU WANT IT

Create an XC40 that’s perfect for the way you live, with impressive Volvo accessories designed around you and your car. Our range of exterior accessories is carefully crafted to boost the inherent versatility and ruggedness of the XC40. Designed to look good and work flawlessly, they are made from tough, high-quality materials. XC40 accessories are built to withstand everything that life – and the elements – throw at them.

21” 5-TRIPE OPEN SPOKE BLACK DIAMOND CUT ALLOY WHEELS

For the strongest expression of the tough, sporty character of the XC40, choose our large 21” 5-Triple Open Spoke Alloy Wheel in distinctive Black Diamond Cut design. These impressive, beautifully crafted wheels perfectly complement the uncluttered lines of your Swedish city SUV and give it a truly powerful look.

ROOF SPOILER

This stylish roof spoiler further enhances the sporty character and aerodynamics of your Volvo SUV and is color-coordinated with the roof. Fits perfectly with the exterior styling kit.

EXTERIOR STYLING KIT

Give your XC40 an even more distinctive look with this rugged yet sporty exterior styling kit. The front skid plate, rear skid plate and the lower door trim moldings in brushed stainless steel enhance the powerful stance of your city SUV, while the integrated dual tailpipes add a stylish finish.

BUILT TO BE USEFUL

The interior accessories available for the XC40 are designed to make your Volvo even more practical and durable, so that it’s an even more useful part of your life. Whether it’s helping you to carry your things as securely and easily as possible, or protecting the interior of your car, our range of accessories makes life less complicated and allows you to use the full range of your car’s capabilities. And because these are Volvo-designed accessories, you can be sure that they’re built to last, effortless to use, and fit your XC40 perfectly.

LOAD COMPARTMENT MATS
Accessory load compartment mats help you keep the interior of your XC40 as good as new, whatever you’re doing. There’s a tough plastic mat with raised edges that’s rugged and easy to clean, and a reversible mat that has high-quality textile on one side and durable plastic on the other, to suit differing needs.

ALL-WEATHER MATS
These durable mats protect the interior of your XC40 from muddy boots and shoes. Shaped to fit the footwells perfectly, they won’t slip or shift on the move. Raised edges stop wet and dirt leaking into the car’s carpet.

STEEL GRILLE
Our strong steel grille provides a sturdy barrier between the passenger and load compartments, preventing unsecured loads from causing harm in the cabin. Fitted using simple attachment points, it helps you transport large or bulky items as safely and securely as possible.

**NEW SOFTWARE REQUIRED AS PART OF A REPAIR OR ACCESSORY**

Installation is not included.

**Excludes consumable parts due to normal wear.** See dealer for details. Non-transferable.

**MULTIPLE SECURITY DEPOSIT LEASE**

A multiple security deposit lease allows you to place a lump sum refundable security deposit at lease inception, which reduces your monthly rent charge, resulting in substantial savings over the term of the lease. The additional security deposits are refunded to you at the end of the lease term.

**GUARANTEED AUTO PROTECTION (GAP) WAIVER**

Our GAP Waiver is included in your lease agreement at no additional cost to you. It is provided to give you peace of mind. If your leased Volvo car is declared a total loss due to theft, accident, or natural disaster, we will cover the difference between the insurance proceeds and the balance owed to Volvo Car Financial Services, less any deductible.

**EXCESS WEAR AND USE PROTECTION PLAN**

As a part of everyday driving, normal wear and use can be expected. However, when turning in your leased vehicle, you may be responsible for any excess wear and use damage. Therefore, Volvo Car Financial Services offers an optional plan to protect you and your car from unexpected occurrences that happen from nature and its chance.

**FINANCE OPTIONS**

Volvo Car Financial Services (VCFS) offers affordable and competitive financing on new and Volvo Certified Pre-Owned cars. Our low rates and flexible terms are designed to let you get behind the wheel of the Volvo of your dreams.

**MAINTENANCE**

**COMPLIMENTARY FACTORY SCHEDULED MAINTENANCE**

Volvo Cars is committed to a premium ownership experience for its customers. To further enhance your experience, the Volvosales@cartoday.com (in the United States) will include Complimentary Factory Scheduled Maintenance. This program provides scheduled maintenance coverage for the first three years or 36,000 miles, whichever occurs first, and is designed to complement your Volvo warranty, helping ensure trouble-free operation of your Volvo. Coverage includes factory-recommended maintenance including oil and filter changes, check and adjustments as laid out in your Warranty and Maintenance Records Information booklet. The first three maintenance services at intervals of 10,000, 20,000 and 30,000 miles.

Each service must be performed within 12,000 miles before or after each scheduled interval. Coverage is limited to scheduled maintenance items listed in the 2018 model year Warranty and Maintenance Records Information booklet. No claims will be filed against the Warranty for services that will allow you to customize your coverage to meet your driving habits. See your Volvo retailer for details.

**COLLEGE GRADUATE PROGRAM**

You’ve worked hard to earn your degree. Now the Volvo Graduate Program can make it easy for you to drive a Volvo car. With flexible and competitive financing options available for graduates, Volvo Car Financial Services can help you to step into the luxury of driving a Volvo car with only a 5 percent down payment upon credit approval.

**INTERNATIONAL STUDENT PROGRAM**

The International Student Program is the easiest way to acquire a Volvo while studying in the U.S. only from Volvo. Instead of purchasing a car outright, make one easy, upfront payment and drive a brand new Volvo for the length of your school term. After graduation, shop the car off at your local Volvo retailer. No hassles. You’ll only pay for the portion of the car you use. It’s as simple as that.

**READ MORE AT**

http://www.volvocarsforstudents.com for program details.

**VOLVO MOBILITY PROGRAM**

The goal of the Volvo Mobility Program is to assist persons with physical disabilities or hearing impairment. For those with exceptional transportation needs, this can be facilitated within the extraordinary comfort and safety of a specially adapted Volvo car. For additional information in this program, please contact Mobility by Volvo Customer Care at 1-800-550-5658.

**PERSONAL SHOPPER**

The Volvo Personal Shopper is dedicated to providing you with a whole new level of shopping convenience. Whether you’ll be like identifying the Volvo model that best fits your lifestyle, detailed information on any Volvo model, or a comparison against the competition, Volvo is there to help. We can arrange a Guest Drive for you at your nearest Volvo Retailer. To make the most of your shopping time and call the Volvo Personal Shopper at 1-800-550-5658.

**SERVICE AND WARRANTY**

**VOLVO ROADSIDE ASSISTANCE**

Whenever you need us, we’re just a phone call away. Our nationwide network of retailers and authorized service providers are ready to assist. Whether you require roadside assistance or maps and routing information for your next trip, refer to your Volvo Roadside Assistance card and dial 1-800-63-VOLVO at any time. Your complimentary four-year membership activates the moment you become a Volvo owner. A connection to Volvo Roadside Assistance/US is available through your App Store.
Please note: Some of the information in this brochure may be incorrect due to changes in product specifications that may have occurred since printing.
